The following Testimonial has been received from F. W. CROSS, Esq., Manager, HONGKONG AND CHINA GAS COMPANY, LIMITED: "I have with much pleasure in testifying to the quality of the Extra Bricks as made by you at your new works. In appearance the Brick is light and soft as compared with the ordinary Fire Brick used in the Colony, but this I may say is characteristic of the best English Fire Brick. After a very severe test I have no hesitation in saying that this Brick is admirably suited to resist any degree of heat that it may be likely to undergo and for all purposes that Fire Bricks are used for. I am now about to build them into one of my Furnaces and have no doubt of their being able to stand as well as the English Fire Bricks I have been using." Hongkong, May 23, 1887. 981
